

The strict Corona regulations are presently suspended. For the safety of all of please consider the following rules during the examinations. Please follow them carefully.

## Before the start of the exam:

- Students who carry symptoms of Covid-19 disease, students who had been in contact with infected persons, students with fever are not allowed to participate. Students with any symptoms of common cold may only participate if they can produce a doctor's attestation that they are not infected with Covid-19.
- Please check your seat assignment before you come to the university.
- When you enter the exam hall please **wear a protective mask (FFP2)**.
- Allowed utilities which you may bring to your place are: pens, pencils, ruler, pocket calculator (without transmission facilities). Sharing of utilities is not allowed.
- Not allowed is all the rest (no own paper, no smart watches, no devices with transmission facilities like bluetooth, ...)
- Go to your seat and put your Thoska card in front of you so that it can be controlled by the supervisors.
- The supervisors will control the Thoska cards and distribute the question papers. Put the question papers in front of you and **keep them closed**. Please fill page one with your data and sign the declaration about your health status. **Opening the exam paper ahead of time will be counted as a fail.**
- The supervisors will tell you when you are allowed to remove the protective mask and start with answering the exam paper.

## During the exam:

- It will not be possible to contact the supervisors individually to ask questions as common in previous semesters.
- An opportunity to clarify ambiguities will be provided in the following way:
  - It is recommended that you look through all the questions to check for ambiguities after the begin of the exam.
  - Around the middle of the exam we will make a short interrupt. Students will get the opportunity to raise their hands to ask a question. Answers will be given to the full auditorium. The time for the question period will not count for the exam time. No further questions will be accepted at a later time.
- If someone likes submit his paper before the end of the exam please put on your protective mask and bring your paper to the front table. An early submission is not allowed in the last 15 minutes of the exam time.

## After the end of the exam:

- The end of the exam will be announced by the supervisors. Please **stop writing immediately and close the exam paper**. Put on your protective mask and stay at your seat.
- The supervisors will collect all the exams.
- The supervisors will announce when you are allowed to leave your seat and the room. Please wear the protective masks until you have left the exam hall.

Stay healthy!
