

## Call for Papers and Posters

### International Research Symposium on Bioeconomy and Sustainability

05/06 October 2022, Jena, Germany

The University of Applied Sciences Jena invites submissions of abstracts for papers and posters to be presented at the International Research Symposium on Bioeconomy and Sustainability, 05/06 October 2022 in Jena, Germany.

Contributions should be reporting on recent and innovative research related to bioeconomy in the context of sustainability, in particular with respect to the relevant UN Sustainable Development Goals (SDGs) shown above. The event aims to provide a forum for researchers to exchange their results and develop further ideas to advance the field.

All papers accepted for talks and posters will be published in the conference proceedings. Abstract submissions should not exceed one page. After acceptance, proceedings papers are to be submitted according to a template that will be provided to you.
